A screenshot of the login form. The form is enclosed in a blue border. At the top left, it says 'Select a District:'. To its right is a drop-down menu with 'Academics Plus' selected and a downward arrow. Below this are two input fields for 'Username: *' and 'Password: *'. A 'Log In' button is centered below the password field. At the bottom left, there is a link: '[Forgot My Username or Password](#)'. On the right side, there is a 'Welcome' message and a note: 'If you are clicking'.

Enter the correct username and password for your account.

A screenshot of the login form, similar to the previous one. The 'Select a District:' drop-down menu now shows 'Texarkana School District' selected. The rest of the form, including the username and password fields, the 'Log In' button, and the 'Forgot My Username or Password' link, remains the same. The 'Welcome' message and note are also present on the right.

Please contact the secretary on your school's campus if you need a username and password.

The first time you log into the system, you will need to type in two questions and answers. These will be used to reset your password if you forget it in the future, so make sure they are questions to which others couldn't easily guess the answers.
