WRITING PORTFOLIOS

2nd Grade

Teachers will be expected to keep a writing portfolio for every student in their classroom. These writing portfolios will be checked by the principal and the magnet coordinator on each campus.

NOTE:

- 1) All steps in the writing process are to be stapled together with the draft on the bottom and the finished product on the top. Date each piece.
- 2) The TLI Writing Assessments are to be edited and revised for a polished piece in the portfolio. The assessment is the rough draft.
